NOTICE OF PETITION FOR TEMPORARY CHANGE INVOLVING THE TRANSFER OF UP TO 14,000 ACRE-FEET OF WATER FROM THE CITY OF SACRAMENTO TO STATE WATER CONTRACTOR AGENCIES UNDER PERMIT 11360 (APPLICATION 12622)

On May 1, 2020, the City of Sacramento (City) filed a petition for temporary change to transfer up to 14,000 acre-feet of water pursuant to California Water Code section 1725 et seq. City proposes to transfer the water from July through November 2020 to six State Water Contractor Agencies: Dudley Ridge Water District, Kern County Water Agency, Tulare Lake Basin Water Storage District, County of Kings, Palmdale Water District, and Alameda County Water District. The transfer water would be made available at two proposed additional points of diversion by groundwater substitution for surface water under the City's Permit 11360. Changes include: (1) add the State Water Project's Harvey O. Banks Pumping Plant as a point of diversion, (2) add San Luis Reservoir as a point of diversion, (3) add a portion of the State Water Project's service area as an additional place of use, and (4) add domestic, municipal, industrial, and irrigation as purposes of use.

Pursuant to California Water Code section 1726(f), any interested person may file a comment regarding the petition. **Comments filed in response to this notice should be submitted to the persons listed below and must be received by 4:30 p.m. on June 10, 2020.**

Send comments to both:
